DIRECT DRAW KEG REFRIGERATORS

EBD - Series • EBD1 • EBD2 • EBD3 • EBD4

▲ EBD1

▲ EBD2

▲ EBD4

Cabinet Construction

Heavy duty stainless steel countertop and rail, textured and laminated black vinyl exterior. Galvanized steel interior wall, and high quality stainless steel floor. 1 3/4" thick high density foamed-in-place polyurethane insulation. Pre-installed four 4" diameter casters for single door unit. Built-in caster thread receptacles for all units.

Refrigeration System

- Back mounted condensing unit for single door, and side mounted condensing unit for two and three door models
- \cdot Oversized condenser and evaporator coils quickly achieve and maintain desired temperature
- Forced-air cooling with oversized evaporator fan motors provide balanced airflow throughout cabinet to ensure faster temperature drop
- \cdot Removable side panel and slide-out condensing unit for convenient repair and maintenance
- $\cdot\,$ Environmentally friendly CFC free R-134A refrigerant
- · Air defrost controlled by electrical timer
- $\cdot\,$ Copper tube and aluminum fin evaporator with anti-corrosive coating
- $\cdot\,$ Energy efficient condensate drain pan assembly heated by high side copper tube
- \cdot Pre-wired and ready to plug, 115V/60Hz/1Ph, NEMA 5-15P

Lighting

 Shielded incandescent interior lighting with on/off switch (not applicable to EBD1 models manufactured prior to 2017)

Doors

- · Textured and laminated black exterior with galvanized steel interior
- · 1 3/4" thick high density foamed-in-place polyurethane insulation
- · One piece snap-in magnetic door gaskets for easy replacement
- · Heavy duty recessed door handles
- · Door locks

Draft Arms

NSF approved 3" diameter insulated stainless steel draft arm with air distributor
One draft arm for model EBD1, two draft arms for two and three door models

Temperature Control

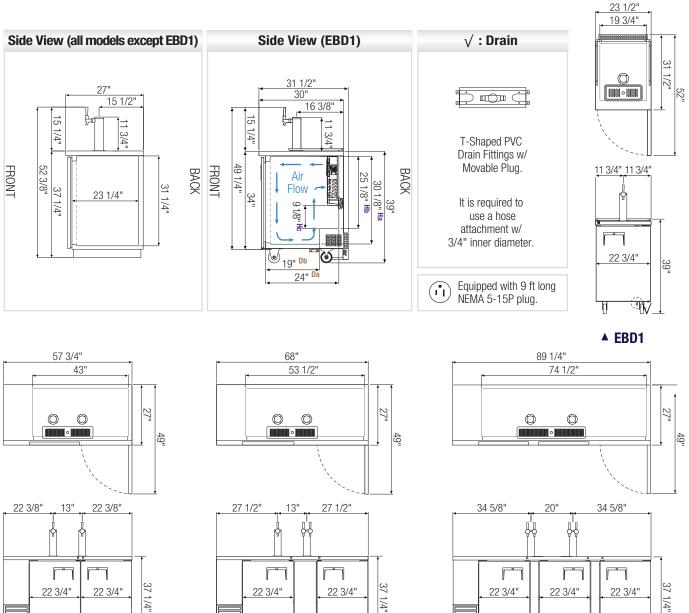

- · Factory preset temperature, 35°F
- · Temperature setting range from 32°F to 42°F
- · Easy to set analog thermostat

Options

- 2 1/2" and 4" diameter casters (3 1/2" and 5" overall height) optional for all models except EBD1
- · Dual faucet towers
