Standard features:

- Water-tight lock-form seam construction for a stronger and more durable cabinet with all steel construction.
 - Premier quality construction with the straightest edges and minimal foam bleed.
 - 'Box Frame' constructed for optimal strength and increased resistance to freight damage.
- Indoor units are fitted with large, triple pane, tempered safety glass doors.
- 70% more open air channels than other brands to provide air flow.
- Two-part acrylic polyurethane coating offers mid-range gloss and excellent weather ability. Epoxy primer formulated to have excellent adhesion and corrosion and humidity resistance.
- PVC bottom skid plates for non-marking of floor surfaces.

- Door openings feature high impact vinyl breaker strips to provide better impact resistance and greater durability to handle harsh conditions.
- Drain plug - recessed drain for easier and complete water draining.
- Wrap around full top and compressor cover help to protect from unexpected debris.
- Easily accessible refrigeration service valves.
- Low temperature sealed condensing units.
- Drop-down unit cooler allows ease of service.
- Now featuring electronic controls.
- LED interior lighting.
- Packaged with non-marking corner protective V-boards and dust cover for dirt/debris protection.

Options

- Customized exterior paint, logos and wraps
- Blue "ICE" decals
- Bumper guards
- Diamond plate trim
- Marquee LED glass door visual display with color options
- Gold or Black glass frame door
- Remote refrigeration
- Reverse fan self-cleaning condensing unit
- Heavy-duty refrigeration available for automatic defrost models
- Call for additional options! (800)-766-5337

NOTE: Glass door models are designed for use in stores where temperature and humidity are maintained at 75°F and 55% RH respectively.

Classic Indoor Ice Merchandisers

Leaders in Quality

All Leer indoor merchandisers feature the finest cabinet construction assembled under the industry's toughest quality control standards. That means they'll be standing strong, ready to sell ice for many years to come.

An Employee Owned Company

Leaders in Innovation

Leer indoor merchandisers feature triple-pane, tempered safety glass doors; illuminated interior; full top refrigeration cover with compressor cover; quick recovery, low-temp, balanced refrigeration; total steel cabinet construction; and optional custom finishes. Innovations like these have helped us set industry standards for improving your return on investment.
