We'll keep your business stocked with ice, no matter what!

WHEN YOU RENT AN ICE MACHINE FROM MEMPHIS ICE, YOU DON'T HAVE TO WORRY ABOUT:

Long-term commitments. Get the certainty of a 12-month contract with the convenience of month-to-month payments.

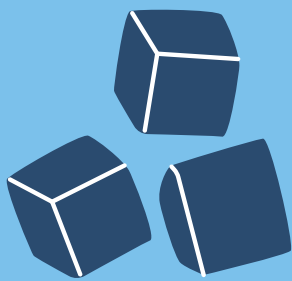

Hefty capital investment in equipment. The price of kitchen equipment is always rising, but your cost per month is secure.

Going without ice. If your equipment is on the blink, we'll deliver ice to you or reimburse your payment.

THE BOTTOM LINE

Ice machine rental not only serves up a low cost-per-drink, it also protects your bottom line against unexpected repairs and routine cleaning. We offer a full-service solution that delivers peace of mind so you never have to worry about ice again.

IN ADDITION TO A LOW COST-PER-DRINK, YOU RECEIVE:

Priority repair services. Keeping your equipment running is our mission, so your ice machine repairs get priority placement with our service technicians—even on weekends.

Freedom to focus on running your business—we'll handle your ice machine's routine cleaning. Your ice machine will always be ready for business thanks to a scheduled annual cleaning from our experts.

Peace of mind! You have a full-service solution for all your business's ice needs.
